Description

Rare opportunity to own a highly desirable Stonewater model in the sought-after, gated community of Bridgetown at The Plantation. Part of Pulte’s premium Estate Series, the Stonewater is the largest of the community’s single-story floor plans, and opportunities to purchase this spacious model are limited. Meticulously maintained and presented in like-new condition, this pet-free, smoke-free home reflects pride of ownership throughout. This exceptional lakefront residence offers 3 bedrooms plus a den/flex space, 3 full bathrooms, and a convenient poolside half bath. Soaring ceilings and a desirable split-bedroom floor plan create an open, airy feel while providing privacy. The spacious laundry room is enhanced by a private hair salon and additional custom cabinetry, offering a unique combination of convenience, functionality, and storage. Enjoy the Florida lifestyle from your private pool and spa, overlooking a tranquil lake with eastern exposure—perfect for enjoying the morning sunshine. Additional features include a 3-car garage, EV charging outlet, electric hurricane shutters, and custom closet and pantry organization systems. Bridgetown residents enjoy an impressive array of resort-style amenities, including two community pools, tennis and pickleball courts, bocce, a state-of-the-art fitness center, children’s play area, and outdoor barbecue and fire pit gathering spaces. Combining an expansive single-story design, private outdoor retreat, and exceptional community amenities, this home presents a special opportunity to enjoy the best of Southwest Florida living.
