Description

The home feels big and spacious- on a 1.02 acre corner lot in Heritage Pines adjacent to and more commonly known as Heritage Farms- an upscale south Ft Myers neighborhood tucked away and out of sight yet easily accessible off Gladiolus. The home is 5 Bedrooms , 3 and one half bathrooms with 3297 sq ft of living area plus an oversized 3 car garage. All of the room sizes are generous including one of the bedrooms large enough for a billiard table or game room or??? The kitchen enjoys an open view to the pool area plus incredible cabinetry and countertops for the chef- ideal for entertaining. The fireplace and built-ins in the family room provide a cozy atmosphere and a place for everything. Check out the 2 story pool cage for the large lanai down and huge balcony above both overlooking the pool and 6 person spa. Recent improvements include new impact resistant Anderson windows, 2025 HVAC upstairs and 2019 HVAC downstairs and the water heater is approximately 3 years new. Note this home did not flood in Hurricane Ian - did get a few inches of water in the garage- the house is about 2’ higher than the garage. The long driveway is perfect for entertaining guests. This is just one of those homes you have to see - outstanding home in an incredible neighborhood and believe it or not there is no HOA fee.
