Description

One or more photo(s) has been virtually staged, AI generated or rendered. Brand-new construction, no HOA, and 1.17 acres of 100% upland property to make your own. This concrete block home is built to last, with a tile roof, impact-resistant windows and doors, and a 1-year builder warranty for added peace of mind. Inside, vaulted ceilings and French doors create a bright, open living and dining area. The kitchen is the heart of the home, featuring top-rated Italian-style cabinetry, a large quartzite stone island with breakfast bar, an electric cooktop, double wall ovens including a steam oven, and a pantry. The split-bedroom floor plan offers 3 bedrooms, a den for a home office or guest space, and 3 full baths. The primary suite includes a walk-in closet with custom built-ins and a bath with dual sinks and a separate tub and shower. Outdoor living is just as impressive. The 46-foot screened lanai with a built-in outdoor kitchen is ready for year-round entertaining. Whole-house reverse osmosis water treatment, a laundry tub, and an attached 2-car garage add everyday convenience. The deep 75 x 682 ft lot gives you privacy and full access to the back of the property, with room for a pool, a detached garage or workshop, and parking for heavy equipment, work trucks, RVs, boats and trailers. Enjoy the space and freedom of acreage living while staying close to Naples shopping, dining and schools.
