Description

Your own pool and spa, room to spread out, and a North Naples location that keeps everyday conveniences close. This 3-bedroom, 2-bath home in Victoria Park offers 2,218 square feet of living space with cathedral ceilings and a split-bedroom layout that gives everyone a little breathing room. The kitchen features granite countertops and stainless steel appliances, with space to stay connected while preparing meals. Outside, the screened lanai brings another dimension to daily living—from a quiet morning beside the pool to an evening in the spa. A 2-car attached garage adds practical storage and parking. Victoria Park offers community recreation, including a pool, tennis courts, and a playground, with shopping, dining, parks, and Gulf beaches nearby. For buyers who want outdoor living without giving up interior space, this home brings both together.
