Description

Screened pool, metal roof, and a spacious single-story layout make this 4-bedroom, 2-bath Cape Coral home stand out. Built in 2015, this concrete-block residence offers approximately 2,330 square feet of living area, an attached 2-car garage, and a fenced yard. Inside, vaulted ceilings enhance the open living and dining areas, where a stone-surround fireplace and built-in shelving add character. The kitchen features dark cabinetry, stone-look counters, stainless steel appliances, and a generous breakfast bar for casual meals and conversation. The primary bath includes dual sinks and a walk-in shower. Outside, a covered lanai opens to a screen-enclosed in-ground pool with paver decking, ceiling fans, and a built-in outdoor bar. Additional features include tile and vinyl flooring, storm shutters, in-home laundry, and a whole-house reverse osmosis water system supplied by a well.
