Description

Rarely does a residence like this come to market. Set in the coveted Vivaldi enclave of Miromar Lakes, this fully renovated, beachfront water-view condominium was refreshed with no expense spared and is ready for you to move in. The 3 bedrooms plus den, 3.5 baths and 2,832 sq ft under air are wrapped in luxury finishes. Wide-plank flooring with a lifetime warranty, engineered hardwood bedrooms and designer lighting set an elegant tone from the moment you walk in beneath the crystal entry chandelier. Cooks will love the Thermador kitchen, with its built-in refrigerator, wine cooler, wall oven and 6-burner range, plus a Bosch dishwasher, soft-close cabinetry and Restoration Hardware pulls. Unwind in the spa-style primary bath with Kohler fixtures, ceiling-height mirrors and a bubble chandelier. Then step out to the screened lanai with a new Blaze grill and enjoy calm water views as the day winds down. The big-ticket items are already done: a new GE whole-condo A/C, an epoxy garage floor, a serviced elevator and freshly painted building exteriors, with no assessment. Even the furniture stays: curated Restoration Hardware, Arhaus, Room and Board and Tommy Bahama pieces are included. Just bring your toothbrush. Schedule your private showing today, before someone else calls Vivaldi home.
