Description

The beach is just steps outside your front door. This turnkey, fully furnished 2-bedroom, 2-bath corner unit is one of the most private spots in Loggerhead Cay, with direct beach access, Sanibel’s bike path at your doorstep, and a rental program already in place. Coastal wood accents give it a bright, classic beach-house feel. The kitchen has quartz countertops, an open plan walk-around island that opens to the living area, and stainless appliances. The screened lanai is a real highlight. It is enclosed with high-end impact glass and retractable sliders, so you can open it to the Gulf breezes or close it up and cool the space. There’s a comfortable sectional dining area with room for everyone, and it works well for morning coffee or sunset dinners. Loggerhead Cay’s grounds include a heated pool, tennis, shuffleboard, and gas grills, all a short walk from one of Sanibel’s beaches. Move-in ready, rental-ready, turn-key and fully furnished.
