Description

Welcome to 5654 Natoma Drive, a thoughtfully updated 2-bedroom plus den, 2-bathroom home on a spacious corner lot in a well-maintained no-HOA neighborhood, where the big-ticket items are already done for you. The roof is new in 2025, the HVAC and water heater in 2023, and the electrical has been upgraded. The split-bedroom floor plan centers on a large open-concept kitchen with custom soft-close solid wood cabinetry, Acacia butcher block counters, and new stainless steel appliances. Both bedrooms have their own updated ensuite bath with a large walk-in shower and dual vanity. Out back is a 40x14 detached workshop that is insulated, air-conditioned, and has 100-amp service, so it works well as a workshop, studio, gym, or hobby space. Located in the McGregor corridor, the home offers quick access to downtown Fort Myers, US-41, Sanibel and Fort Myers Beaches, and plenty of restaurants and shopping.
