Description

Water views in front, boating adventures out back—and more than half an acre to make island living your own! Welcome to 5442 Martin Cove, a 3-bedroom, 2-bath waterfront retreat in Bokeelia's Serenity Cove neighborhood. Enjoy peaceful lake views across the street and expansive canal views from your backyard, with direct Gulf access and no bridges. An existing seawall, concrete dock and boat davits set the scene for days spent fishing, exploring Pine Island Sound or cruising to nearby islands. The spacious backyard offers room to relax, entertain and enjoy the waterfront setting. Inside, coastal updates include luxury vinyl plank flooring in the main living areas, updated kitchen cabinetry, quartz countertops, stainless steel appliances, updated bathroom vanities and new interior doors. Additional features include a 2022 roof, portable-generator connection and DAM EASY flood barriers for all exterior doors. Bring your boat, trailer and RV! The oversized concrete parking pad with 50-amp electrical service offers valuable flexibility, while the attached two-car garage provides space for vehicles, tools and island gear. Mature palms and tropical landscaping complete this inviting property. With three bedrooms, generous outdoor space and water views on both sides, this Pine Island home offers a distinctive place to settle in, spread out and enjoy life by the water. Schedule your private showing and experience the setting for yourself!
