Description

If you’ve been looking for that perfect spot to lean into the Florida lifestyle, this Abbey model Veranda in Highland Woods is it. It’s rare to find a place that feels this fresh and well-cared-for, but from the moment you step inside, the natural light tells you everything you need to know—it’s bright, airy, and just feels like home. One of the biggest perks here is the peace of mind that comes with full impact glass windows and doors. But the real "wow" factor? The remodeled primary suite. The primary bathroom has been turned into a total spa retreat, featuring a massive walk-in shower with multiple shower heads. It’s the kind of upgrade you’ll appreciate every single morning. Practicality is covered, too, with plenty of storage and your own detached garage. When you’re ready to unwind, head out to the screened lanai. The views across the golf course are fantastic and provide a beautiful, lush backdrop for your morning coffee or a sunset drink. Living in Highland Woods means you’re moving into a premier bundled golf community where the amenities are truly top-tier. Golf enthusiasts will love the championship 18-hole course, which offers a challenging yet scenic experience right in your backyard. The heart of the community is the recently renovated clubhouse—a stunning, modern space where neighbors become friends. Whether you’re looking for a sophisticated evening at the fine dining room or a relaxed afternoon at the casual grill, the culinary options here are exceptional. The active lifestyle doesn't stop at the greens. You'll have access to a state-of-the-art fitness center, along

with vibrant tennis, bocce, and pickleball courts for some friendly competition. With a packed social calendar full of events and gatherings, there is always something happening. Plus, you’re in a prime spot to enjoy the best of Bonita Springs—from the nearby Gulf beaches to the dining and shopping at Coconut Point and the Promenade. It’s not just a condo; it’s an invitation to a whole new way of living. Come see why life is just better at Highland Woods.
