Description

Beautiful Potter built home directly on Ft. Myers Beach sold furnished with interior design provided by Freestyle Interiors. The 4 bedroom, 4.5 bath home’s master bedroom encompasses the entire 3rd floor of the home with his and her office space, and a wide view of the Gulf and beach. An elevator provides access to the second and and 3rd floor of the home. The home has impact windows and doors throughout as well as electric screens and shutters on the second floor balcony which provides additional protection for the lanai furniture. The expansive great room with unobstructed views of the Gulf provides an incredible view of the Gulf waters and sunset. The adjacent kitchen is equipped with Thermador appliances, a large island for more casual meals, as well as easy access to the more formal dining area. Additional features include a salt water pool and spa, and a multi-car epoxy floor finished garage. The home is located in Turtle Walk on Ft. Myers Beach which is a private, and quiet 7 home development which was designed for luxury coastal living. The location has easy access to Publix, restaurants, shopping, and marinas.
