Description

Look no further than this waterfront, centrally located Monaco model floorplan. Offering more than 1,800 square feet of thoughtfully designed living space, this home features two bedrooms plus a versatile den, two full bathrooms, and a two-car garage. The split-bedroom layout provides a welcome separation for owners and guests, while a tasteful interior and premium water view enhance the home’s style and appeal. Beyond your front door, an impressive clubhouse anchors a community designed for recreation, relaxation, and connection. Stay active in the fully equipped fitness center and indoor/outdoor basketball. Gather with neighbors in the card room, multipurpose room, or spacious social hall. Outdoor amenities offer even more ways to enjoy the Southwest Florida sunshine, including a resort-style pool, lap pool, tennis courts, party pavilion and more! Whether your ideal day includes a workout, a friendly tennis match, or a quiet afternoon poolside, Marina Bay makes it easy to enjoy the lifestyle you love. Ideally located along the Treeline corridor, this luxury community places shopping, dining, entertainment, and Southwest Florida International Airport within convenient reach.
