Description

If you’ve been searching for a move-in ready townhome in Fort Myers that’s been done right, this is the one. This 2 bedroom, 2 bathroom townhome in the Village of Cedarbend has been fully renovated and touches nearly every surface inside - updated tile on the first floor, fresh paint throughout, renovated kitchen with new cabinets, custom knobs, and granite countertops, and all appliances included. The first floor bathroom was redone with a tiled shower and sliding glass doors, and the primary bedroom features custom closet doors. Upstairs, the second bathroom received a full refresh with a double bowl vanity, tiled shower/tub combo, and updated fixtures. A new A/C unit was installed in 2025. The community has a large pool and the HOA covers water, lawn maintenance, pest control, and exterior upkeep, so the day-to-day is low maintenance. And this location is hard to beat in Fort Myers! You’re minutes from Summerlin, close to Bell Tower Shops, and when the weekend calls for it, Fort Myers Beach and the Sanibel causeway are just a short drive away.
