## Description

Welcome home! This well-maintained pool home offers the perfect combination of comfort, convenience, and added value. Major highlights include a new roof in 2018, a swimming pool, and all appliances replaced in 2026, including a new washer and dryer. Even better, the sale includes a vacant, buildable lot directly behind the home, with a shed, offering additional possibilities and a valuable bonus for the new owner. Enjoy peace of mind knowing the property has never flooded, along with a desirable location close to everyday conveniences, shopping, dining, and more. Whether you’re looking for your Florida home, seasonal getaway, or investment opportunity, this property is one you won’t want to miss.
