Description

Bonita Beach's crown jewel spanning 2.5 beachfront lots on the most desired stretch of Bonita Beach. This grand estate offers breathtaking views of the Gulf with sunsets that stretch from Naples to Sanibel Island. This singular opportunity won’t come twice. Undeniable coastal elegance awaits up arrival with a private gated drive and a manicured front lawn, grand porch seating area, Bahama Shutters and long graceful horizontal lines. Inside, a dramatic foyer and sweeping staircase set the tone for what follows. Built to entertain, the heart of home is a soaring two-story living, dining and kitchen space wrapped in floor-to-ceiling glass. Enjoy the outside in the elevated pool and spa while enjoying the gulf breezes. The expansive outdoor living area is equipped with an outdoor kitchen and large covered dining and lounging area with a gas fireplace to enjoy memorable dinners and late nights under the stars. Five bedrooms and eight baths give guests a luxury retreat of their own. The guest suites are so well appointed they could easily pass for primary suites. The primary suite is a sanctuary of its own accord, with a beautiful spa-style bath and designer closet. Every detail has been considered. A dedicated executive office, an elevator and home generator, along with garage space for a serious car collection. Custom-built by Neimann Homes, the craftsmanship shows in every corner. This is not just any beach house. It's a place to escape, unwind and create lifelong memories.
