TURNKEY FURNISHED! Enjoy the Bonita National lifestyle in this beautifully appointed, upstairs, social membership, coach home! The open concept floor plan features three bedrooms, two bathrooms, quartz countertops throughout, and an oversized kitchen island. Recent improvements include luxury vinyl flooring in place of all carpet, a new slide in range with steam clean and air fry functions, and a "very quiet" dishwasher. Hurricane impact doors and windows provide added peace of mind. Relax on the expansive lanai and take in the water view. The attached tandem garage offers two and a half car capacity. Bonita National’s amenities include eight tennis courts, a fitness center, spa, resort pool, lap lanes, cabanas, satellite pools, hot tub, and multiple restaurants. Social members can also enjoy unlimited golf during the off season (May 1st - Oct 31st). Pickleball and bocce additions have been approved and will be added soon!
