Description

Timelessly renovated and offered turnkey, this lakeview residence in Palm Colony of Pelican Landing combines thoughtful updates with a flexible floor plan designed for everyday living and entertaining. Warm wood and tile flooring set the tone throughout, complemented by an updated kitchen and baths featuring warm-toned finishes. The floor plan provides separation and versatility with a private guest suite and generously sized third bedroom that can also serve as office or den. An additional half bath adds convenience. The renovated primary bath features added cabinetry and an updated shower. Outdoor living extends to the screened lanai, where updated tile and replaced screening create an inviting setting overlooking the lake. The residence is positioned for privacy while remaining close to the community pool and grilling area and a short distance from the tennis courts. Offered turnkey, the residence provides an opportunity to enjoy the Pelican Landing lifestyle this season, with community amenities that include private beach access, pickleball, a fitness center, canoe and kayak facilities, sailing opportunities, bocce and additional recreational offerings.
