Description

Membership in Stonebridge Country Club is included with this home, so the course you see from the pool is also yours to play. With no waiting list and no separate club decision, your first round is as simple as booking a tee time. Days here tend to follow the rhythm of the game: an early round on the Kipp Schulties redesign, lunch at the Bistro, time on the practice range, and then home, where the pace of the day softens. The home sits on a quiet cul-de-sac inside the gates, with no through traffic in front and the golf course, not a neighbor, behind. That is where the peace of mind comes from. The private pool and spa face north onto the course, keeping the sun at your back and the light on the view, and by evening the spa becomes a sanctuary as everything settles into stillness. Inside, 2,184 square feet sit on a single level beneath high ceilings: three bedrooms and two baths. Stainless appliances and natural travertine tile make the kitchen inviting on the evenings you stay in. The primary suite, with its walk-in closet, occupies its own side of the home. The two-car garage with epoxy flooring makes club storage easy and convenient after every round. The same owners have cared for this home for more than twenty years. North Naples puts Vanderbilt Beach a short drive west and I-75, the road to the airport, a short drive east. Golf comes with every home in Stonebridge. The quiet street and the view from the pool come with this one.
