Description

Refined luxury, exceptional privacy and an impressive collection of recent enhancements come together in this beautifully appointed Windsor residence in prestigious Classics Plantation Estates at Lely Resort. One of only three Windsor residences within The Classics, this distinctive home offers 4,238 square feet under air with four bedrooms, a bonus room, private office and 4.5 baths, creating a sophisticated yet comfortable setting for everyday living and entertaining. Generous living spaces, elegant finishes and thoughtful details define the interior, while the beautifully updated kitchen features new Perla Veneta quartzite countertops and backsplash, a new composite sink and freshly painted cabinetry. New designer lighting throughout the main living areas and baths adds another layer of sophistication, highlighted by a magnificent statement chandelier in the great room. Lutron smart lighting and Ecobee thermostats provide modern convenience throughout. Designed to embrace the Florida lifestyle, nearly 1,000 square feet of additional outdoor living unfolds into a private, resort-inspired retreat surrounded by lush natural foliage. Completely renovated in 2025, the expansive lanai showcases a new travertine pool deck, resurfaced pool with new glass tile and coping, expansive picture-window screening and an updated outdoor kitchen finished in Taj Crystal Quartzite. A dramatic feature wall with television and electric fireplace creates an inviting gathering space, while a select cypress wood ceiling with substantial 5-inch molding brings warmth and architectural

distinction to the lanai. Pool and spa water features complete this exceptional outdoor setting. Equally impressive is the rare four-car garage configuration, consisting of two separate two-car garages with epoxy flooring and individual mini-split air-conditioning systems. Additional recent improvements include new home air-conditioning systems, GE Profile washer and dryer, Pentair IntelliCenter pool controls and electric pool heater, all installed in July 2026. Abundant storage and beautiful landscape lighting further enhance the residence. The Classics HOA dues offer a 24-hour staffed gate, landscape maintenance, irrigation water and 1-gig fiber-optic internet. Required membership in The Players Club & Spa completes the resort lifestyle with three swimming pools, tennis, pickleball and bocce, clubhouse, restaurant and tiki bar, game and computer rooms, fitness center, spa and an extensive year-round calendar of special events.
