Experience expansive views from this well-maintained Nottingham II carriage home. Sitting on the green of the 16th hole, this spacious second-floor unit also features views of the lake and the 17th hole. It offers three bedrooms, tile flooring in the main living areas, granite counter tops and stainless-steel appliances in the kitchen and a lanai area that can be used year-round! The golf cart is also included in this sale. Residents enjoy bundled golf with immediate playing access, three satellite pools, a state-of-the-art fitness center with optional classes, massage services, physical therapy, and Har-Tru tennis courts that also accommodate pickle ball. Owners may use their own golf carts on the course for a trail fee. Dining options include outdoor and poolside service at the Terrace Café, along with casual and fine dining at the clubhouse. Rebuilt in 2025, the Central Activities complex offers a new resort-style pool with lap lines, spa, updated restrooms, and bocce courts. The Pickle ball project is in process. Vanderbilt Country Club also provides an active social atmosphere with numerous organized events and golf groups.
