Ideally in Naples just three miles from Marco Island, this inviting residence offers easy access to beautiful beaches, golf, boating, water sports, dining and shopping, while downtown Naples and Fifth Avenue South are just a short 20-minute drive. Freshly painted and ready for its next owner's personal touch, the interior provides an idyllic blank canvas complemented by warm natural wood doors, rich laminate wood flooring, solid wood kitchen cabinetry and newer bath vanities that lend character and warmth throughout. This residence is conveniently between one of the community's two pools and the tennis and pickleball courts. From the screened lanai, discover what sets this property apart. Surrounded by navigable waterways, native wildlife and unspoiled beauty of the Ten Thousand Islands area, fishing remains a cherished pastime. Owners may dock a small vessel or launch a kayak. All of this invites a connection to nature rarely found today.
