Description

One or more photo(s) has been virtually staged, AI generated or rendered. Bring your vision and make this one your own! This first-floor condo is ready for a complete transformation and offers the perfect opportunity to choose your own finishes, colors and design from the start. The interior is in original condition and priced with updating in mind—no paying for someone else’s renovations only to change them later. The possibilities are endless. What you can’t easily change is the location and the view! Enjoy a beautiful lake and golf course view from this desirable first-floor unit with eastern exposure. The kitchen also features newer stainless steel appliances, giving you a head start on the renovation. Buy now, get your remodeling underway, and have your Florida home ready to enjoy before season is in full swing. A great opportunity for a buyer who wants to create exactly what they want in a condo with a view worth renovating for!
