Enter via your private elevator into a bright, contemporary sanctuary with soaring ceilings and an open layout designed for both intimate evenings and sophisticated entertaining. The chef-inspired kitchen anchors the home, flowing seamlessly into the living and dining spaces—each framed by postcard-worthy vistas. A second private outdoor space adds even more room to unwind, host, and savor the coastal breeze. Life at Infinity is a full-service experience—anchored by a standout collection of amenities designed for both indulgence and everyday ease. Spend your days among multiple resort-style pools, enjoy the convenience of a poolside restaurant, and gather effortlessly in the member’s lounge or game room. Wellness is elevated with a premier fitness center, while recreation takes center stage with pickleball courts and a PopStroke-style golf experience created by Tiger Woods’ architect—a truly unique offering in the luxury space. Even your four-legged family members are

pampered with an on-site dog spa and dog park, and when the sun sets, the rooftop terrace invites unforgettable evenings with an outdoor kitchen and firepits—all complemented by 24-hour concierge service and access to The Colony’s private island beach park and the waterfront restaurant, the Bay Club.
