Description

This breathtaking estate home is nestled on 3.17 pristine, gated, all-upland acres in Naples' prestigious Logan Woods, showcasing quality built to the highest standards and uncompromising luxury throughout. Offering 8,099 square feet of living space, the grand two-story main residence boasts soaring high ceilings, a masterful architectural layout, and abundant natural light streaming in from all four directions. It features seven en suite bedrooms, eight full bathrooms, and two half baths, including a convenient pool bath. At its heart is a stunning double island kitchen, complemented by a luxurious steam room, a spectacular fully automated saltwater pool with fire and water features, an outdoor summer kitchen, a whole-house reverse osmosis system, and a whole house generator. The entire property enjoys whole-property irrigation. This private estate is fully fenced with an automatic gate and surrounded by lush privacy hedges. The main residence also includes a four-car garage. A charming guest cottage with 2 car garage , completely remodeled with a brand new roof and new appliances, sits at the front of the property with its own two-car garage. This is truly one of Logan Woods' finest offerings, with many more exceptional features and details throughout.
