Description

Welcome home to this beautifully updated second-floor end unit in a well-kept 55+ community. Everything has been refreshed, starting with a great kitchen featuring brand-new appliances, plus new ceiling fans and lighting throughout. The lanai has been opened up and enclosed for comfortable four-season living, giving you extra space to relax and enjoy Florida year-round. Upon entering the building, you'll step into a spacious living area with chairs to sit and relax. The entire building has been redone. It's a three-story building with an elevator, laundry on the third floor, and extra storage space available. A covered carport is included. The community is governed by its own board of directors, which sets the rules. It is not run by an outside corporation. The location is hard to beat: About 5 minutes to Port Charlotte Beach and local hospital, about 10 minutes to the new Sunseeker Resort and 20 minutes to Punta Gorda Airport. This is a must see condo! Very welcoming!
