Description

Own the lap of luxury right on the Gulf of Mexico with this 2-bedroom 2-bathroom end unit 100% updated condo. The natural surroundings of The Privateer will captivate your mind, body, soul, and spirit. This large two-bedroom Gulf Front condo affords you the island life made easy, from enjoying views of the gulf from your lanai to exploring the island. Enjoy all that this island has to offer, from world class boating and fishing, kayaking, nature tours and other events on the island, bird watching, and scouting for seashells that wash up on the shore steps away from your condo to soaking up the warm Florida sun rays and watching the sunset from your patio. All this is made easy with this turnkey condo. This island has so much history, make your mark on it today!
