Description

Luxury makes an impression from the moment you arrive and thoughtful design carries it through every room. An impressive tall entry welcomes you into a home where high trey ceilings, tile flooring, and the warm glow of LED ambient lighting create an elegant, inviting atmosphere. The kitchen takes center stage with two-tone European style cabinetry, Taj Mahal countertops, and Samsung appliances, bringing style and function together beautifully. The bathrooms offer a spa-inspired retreat with glass-enclosed showers and LED lit niches that add a distinctive finishing touch. Wood shelving in every closet provides practical organization with a polished look. Adding flexibility, the garage features a private exterior entrance and direct bathroom access, offering potential for a home office, mother-in-law suite, or future efficiency. An oversized lanai provides plenty of space to relax or entertain with plenty of room for a future pool. Located in the desirable ABC neighborhood of Lehigh Acres, near schools, shopping, Fort Myers, and access to I-75, this home pairs luxurious finishes with everyday convenience.
