Meet Blue Steel. The Cape Coral home that understands you might have a boat... or three. Sitting on a double fenced-in lot with plenty of room for the toys, this meticulously maintained 4-bedroom, 2-bath home is ready for its next owner. Blue Steel has already had some of the big-ticket updates taken care of, including a new roof, freshly painted exterior, and upgraded impact windows and doors. Inside, you'll find a spacious layout with a formal dining area plus tile and laminate flooring throughout, no carpet to replace or worry cleaning. Out back is where things get fun. There's room to add a pool and plenty of space to create an incredible backyard setup for entertaining, grilling, storing the toys, or just enjoying the Florida lifestyle. Conveniently located near I-75, US-41, Publix, and everything Cape Coral has to offer, Blue Steel gives you space, flexibility, and some seriously good bones. Bring the boat. Bring the truck. Bring the Girlfriend. Blue Steel has room for it.
