Description

Welcome to this beautiful single-family home in Lehigh Acres. This one-story residence offers 4 bedrooms, 3 full bathrooms, and approximately 2,227 square feet of total building area. Built in 2023, the home features a spacious and functional layout designed for comfortable Florida living. The property offers an open living area, a well-appointed kitchen, generous bedroom spaces, and an attached garage. Concrete block construction and a newer build provide durability and low-maintenance living. Situated on an approximately quarter-acre lot, this home offers plenty of space both inside and out in a growing Lehigh Acres community.
