Description

Discover a rare opportunity to own a beautifully renovated 2-bedroom, 2-bath Beach Cottage at South Seas Resort on Captiva Island. Ideally positioned along the south end of the resort, this coastal retreat offers relaxed island living just moments from the shoreline. Renovations are nearly complete, giving the next owner the unique opportunity to select the final interior finishes and add their personal touch. Major improvements include a new roof, new A/C, Hardie siding and trim, impact windows and doors, an impact-rated tri-fold slider, composite decking, beautifully landscaped grounds, and updated interiors. Inside, approximately 900 square feet of airy living space features an open-concept living and dining area, kitchen with island, two updated bedrooms, and two bathrooms with walk-in showers. New GE Profile double wall ovens, 30" cooktop, counter depth French-door refrigerator and dishwasher are ready for installation, while countertops, vanities, and a few finishing touches remain for the buyer to complete. Step onto the screened patio and enjoy gentle Gulf breezes, sunset skies, and views toward the beach. A private beach path makes access to the shoreline effortless, while a pool and tennis court are conveniently located right outside the front door. Whether you're seeking a private island escape, family retreat, or vacation property, this cottage offers the perfect blend of thoughtful upgrades, resort amenities, and quintessential Captiva charm. Bring your vision and complete this exceptional beach cottage into your own personal island retreat.
