Description

Newly completed and beautifully positioned along the shoreline, Residence C502 at the Residences at Naples Beach Club, a Four Seasons resort, pairs expansive Gulf views with the comfort and discretion of a private coastal home. Its exceptional beachfront setting places the sand and sea at the forefront, with uninterrupted western vistas extending toward the horizon. A private elevator opens to a dedicated arrival foyer, introducing an airy interior where refined architectural details, bespoke millwork and thoughtfully selected finishes establish an understated elegance. Broad expanses of glass draw the coastline into the principal living spaces, while the open layout creates a natural connection between the kitchen, living and dining areas. Premium appliances and a conveniently positioned wet bar make the home equally suited to quiet evenings and gracious entertaining. The living and dining spaces extend onto a generously proportioned covered terrace, creating an inviting setting for alfresco meals, sunset gatherings and leisurely afternoons overlooking the Gulf. An outdoor kitchen completes this seamless extension of the interior. The primary suite shares the residence’s captivating water views and opens directly to the terrace. Its thoughtfully divided bath and dressing areas offer exceptional personal space, complemented by substantial walk-in closets. A separate guest wing accommodates three additional suites, each with a private bath. Among them, a spacious VIP retreat enjoys a terrace of its own. Within this intimate collection of beachside residences, C502

offers an exceptional resort lifestyle. Inviting pools, beautifully maintained beachfront surroundings and attentive seaside service encourage unhurried days by the water. Distinctive dining, elegant gathering spaces, and thoughtfully appointed spa and fitness facilities offer opportunities for both recreation and relaxation. Personalized Four Seasons residential service lends ease to every arrival and departure, creating a welcoming coastal retreat for extended stays and spontaneous escapes to Naples.
