Description

Golden Gate Estates living at its best: brand new 2026 construction on 2.50 private acres with no HOA and no restrictions. Built with concrete block, impact resistant windows and doors, and a finished floor about 2.5 feet above base flood elevation, this home offers peace of mind from day one. Inside, 11 foot ceilings in the living and dining areas and a 14 foot entry create an open, bright feel. The split bedroom plan offers 3 bedrooms plus a den, perfect for a home office or guest room, and 2 full baths. The kitchen centers on a large island with breakfast bar, electric cooktop, refrigerator, dishwasher, microwave, and a reverse osmosis system. Tile flooring runs throughout, and the primary suite includes a walk-in closet. Step outside to the open lanai and patio, with plenty of room to add your future pool. With 2.50 acres where horses are welcome, there is space for gardens, a workshop, toys, or simply wide open privacy. An attached 2 car garage, automatic sprinklers, well and septic, and a county maintained paved road complete the package. Enjoy quiet country living just a short drive from shopping, dining, schools, and healthcare. Call today to schedule your private showing.
