Description

Welcome to this beautifully maintained Michigan-built home in North Fort Myers, offering 3 bedrooms, 2 bathrooms, 2,047 sq. ft. of living space, and a 2-car garage. Built in 1977, this home has been thoughtfully updated while preserving the spacious character and quality construction buyers appreciate in these well-known North Fort Myers homes. Pride of ownership is evident from the moment you arrive. A paver driveway, beautifully landscaped yard, and inviting curb appeal welcome you home. Inside, gorgeous LVP flooring flows throughout, creating a warm, modern feel. The completely renovated kitchen is truly the heart of the home, featuring beautiful finishes, Whirlpool appliances installed in 2023, LED lighting, and under-cabinet lighting. Both bathrooms have been updated. The spacious floor plan offers thoughtful details throughout, including convenient pocket doors for added flexibility and privacy, plus two walk-in closets. The home features hurricane impact windows and a hurricane impact garage door, providing added protection and peace of mind. The entire home has been re-piped, and the large laundry room offers plenty of room for laundry, storage, and everyday convenience. The Maytag washer and dryer were replaced in 2023, and a dual-system Kinetico water softener serves the home. The AC has been professionally serviced twice a year, reflecting the meticulous care this home has received. Step outside to a gorgeous backyard, where a peaceful wooded area creates a private and relaxing backdrop. The solar-heated pool was resurfaced

in 2021, offering the perfect spot to enjoy Southwest Florida living. Garrison flood panels add an extra layer of protection, and a transferrable flood policy is available. This home sustained no damage from Hurricane Helene or Hurricane Milton. Lovingly cared for and thoughtfully updated over the years, this Michigan-built home combines character, comfort, and Florida living — spacious living areas, a beautifully renovated kitchen, impact windows and garage door, a large laundry room, a private pool, lush landscaping, and a serene backyard setting.
