Luxurious primary suites feature spa-inspired bathrooms with oversized two-person Jacuzzi tubs, marble showers and premium fixtures. Large-format porcelain tile flooring, custom built-ins and refined finishes throughout reflect the extraordinary scope of the renovation. Beyond the 5,778 square feet of air-conditioned living space,

the property features TWO SEPARATE TWO-CAR GARAGES and approximately 2,000 square feet of additional ground-level bonus space and storage, ready for your creative ideas. New impact-resistant windows and doors, motorized storm shutters and extensive upgrades provide additional comfort and peace of mind.
