Description

Tucked on Sanibel's East End is this stunning third-floor, one-bedroom retreat at Sandalfoot Condominiums. Step onto your screened lanai with your coffee, watch the light change over the beach, then walk down to the sand with your shelling bag before the crowds arrive. Inside, the open, easy layout pairs a fully renovated, newly furnished large living area with a bright coastal kitchen featuring granite, high-end appliances, and a comfortable dining area. The large King bedroom is nicely tucked away and is the perfect place to rest at the end of the day. The sofa bed makes room for extra guests, and the clean-lined, bright, coastal design throughout features beautiful Gulf views. This unit includes complimentary, unlimited use of the 2nd-floor laundry. Sandalfoot is a well-loved, low-density island community with a large pool, tennis, pickleball, shuffleboard, community grills, and elevator access, so you can spend the day outside without ever getting in the car. Whether it's your full-time escape, a seasonal home, or a rental-minded profitable island investment, 4B3 is an easy way to own a piece of Sanibel.
