## Description

Welcome to your beautifully maintained 2023 built open concept home. It features a spacious great room with soaring ceilings and room for entertaining family and friends. Your generously sized bedrooms have room to spare. The garage is air-conditioned with its own unit, A True Bonus, adding additional living space to the home. The garage also features epoxy coated floors and a large indoor / outdoor composite constructed bar perfect for entertaining. The bar can be easily removed for an upgraded air-conditioned garage or workshop. The bar can be relocated to your back yard for a fantastic outdoor kitchen or bar entertainment area. The spacious outdoor area is fenced and features an outdoor playset. If that’s not enough, this home is in Flood Zone X and features Hurricane Impact Windows and Doors for added security, safety and insurance cost savings.
