Description

Experience rare coastal charm and modern sophistication at the iconic Captain Parker House, ideally located within walking distance of 5th Ave S, 3rd St S, Cambier Park, and the beach. Meticulously restored throughout, the residence showcases old-growth heart pine flooring, shiplap detailing, whimsical designer tile, a freestanding soaking tub, and a bespoke fireplace surfaced in hand-picked oyster shells. The gourmet kitchen is appointed with a French Lacanche gas range, Sub-Zero refrigerator, and built-in wine cooler. Structural and mechanical updates include impact-resistant glass, a standing seam metal roof, Hardie board siding, and a whole-house backup generator. Outside, lush grounds host a grotto pool nestled amid a mature canopy of a 50-foot Royal Poinciana, coconut palms, banana trees, coffee plants, and flowering gardenias.
