Description

Experience the Fiddler's Creek lifestyle-spacious living, tranquil lake views and resort style amenities. Discover the perfect blend of comfort, privacy, and resort inspired living in the beautifully situated end residence within Laguna at Fiddler's Creek. Offering approximately 2600 sq ft of living space, this 3 bedroom, 3 1/2 bath coach home features an expansive floor plan, abundant natural light, picturesque lake views, and the convenience of an attached 2 car garage. Designed for relaxed southwest Florida living, inviting floor plan features expansive living and dining areas, volume ceilings, abundant natural light, and 3 generous sized en-suite bedrooms each offering its own private retreat. The well-appointed kitchen features granite countertops, stainless steel appliances, and natural gas cooking. Bamboo and tile flooring add warmth and practicality throughout. Step onto the expansive screened lanai and enjoy peaceful lake views framed by swaying palms. An idyllic setting for morning coffee, and alfresco dining, or simply unwinding in tropical surroundings. Additional highlights include impact resistant windows and sliding doors, a newer roof, a Trane air conditioning system installed in 2022, and a washer and dryer replaced in 2024. Beyond the residence, discover the extraordinary lifestyle that makes Fiddler's Creek one of southwest Florida's most desired communities. Enjoy an impressive club house, resort style swimming pools, exceptional fitness and spa facilities, tennis, pickleball, dining and an array of social and recreational activities. Optional golf,

beach, and marina memberships offer additional opportunities to experience the best of coastal living. Laguna residents also enjoy their own neighborhood pool. Welcome to Fiddler's Creek!
