Description

There are luxury homes, and then there are homes that simply can’t be replicated. One of only 12 custom Stock residences in WildBlue, this extraordinary lakefront estate is tucked inside the separately gated Blue Eye Loop enclave of just 46 homes, offering an oversized homesite, expansive water views and spectacular western sunsets. A sweeping circular drive leads to a grand covered entry and double iron doors. Inside, nearly 5,000 sq. ft. of living space unfolds with soaring ceilings, dramatic architectural details and walls of glass that keep the lake at the center of the experience. A 400-gallon saltwater aquarium, sophisticated social bar and multiple fireplaces create unexpected spaces for gathering, while the gourmet kitchen features an oversized waterfall island, professional-grade appliances and spacious walk-in pantry. Pocketing glass doors open to nearly 1,900 sq. ft. of outdoor living and a waterfront setting designed for the Florida lifestyle. The infinity-edge saltwater pool and spa feature a sun shelf, fire features and underwater bar stools—the perfect place for an evening cocktail while watching the sunset. An outdoor kitchen, fireplace, firepit and private dock complete the experience. The primary suite is a private sanctuary with a fireplace, floor-to-ceiling lake views, beverage station, dual custom closets and spa-inspired bath with walk-through shower. Each guest bedroom enjoys its own ensuite bath, while the custom office provides an elegant work-from-home retreat. Perhaps the home's most unexpected feature is one you simply won't find elsewhere in

WildBlue—the only 6+ car, climate-controlled garage in the community, with capacity for up to seven vehicles plus additional flexible space. Impact glass, whole-home generator, water filtration and reverse osmosis, iMist mosquito control and other thoughtful upgrades provide comfort and peace of mind. All of this is complemented by WildBlue's exceptional resort lifestyle with boating, dining, fitness, tennis, pickleball and more. A remarkable home, an unforgettable setting, and Southwest Florida living at its finest.
