Description

Welcome to this stunning new construction home located in the desirable SW area of Lehigh Acres, a rapidly growing and conveniently located community. This modern residence offers 1,734 sq. ft. of living area and 2,220 total sq. ft., thoughtfully designed with style, functionality, and exceptional attention to detail throughout. The main residence features 3 bedrooms and 2 bathrooms, complemented by a private 1-bedroom, 1-bath mother-in-law suite with its own separate washer and dryer, offering added flexibility, convenience, and privacy. The home showcases beautiful porcelain flooring, impact-resistant windows and doors, custom-designed closets, and a whole-house reverse osmosis system. The beautifully designed kitchen is highlighted by premium 3 cm Calacatta Mystic quartz countertops, providing an elegant, high-end finish that perfectly complements the home’s modern design. Additional upgrades include a complete lawn sprinkler system and a full gutter and drainage system surrounding the home, with downspouts designed to efficiently direct rainwater toward the lawn. Exterior walkways around the home, an extended driveway providing additional parking space, and a one-car garage finished with epoxy flooring further enhance the property’s functionality and appeal.From the modern and elegant entrance to the carefully selected finishes throughout, every detail has been thoughtfully incorporated to make this home truly stand out. A beautiful combination of contemporary design, comfort, quality, and versatility in one of Lehigh Acres’

growing areas.Schedule your private showing today!!! READY TO MOVE IN/ CO ISSUED 10/30/2026.
