Description

Modern new construction pool home in desirable SW Cape Coral offering 4 bedrooms plus office, 4 full baths and 2,606 sq ft under air. A contemporary facade, flat tile roof, impact windows and doors, 3-car garage with tile floor and circular driveway set the tone. Inside, 10' to 16' ceilings, large-format porcelain tile and wood-accented tray ceilings with LED cove lighting define the open great room and formal dining. The chef's kitchen offers European-style flat-panel cabinetry, stone countertops, full-height backsplash, an oversized island with LED toe-kick lighting, wall ovens and pot filler. The primary suite includes a large LED-lit walk-in closet and a spa bath with dual floating vanities, backlit mirrors and an oversized curbless shower with dual rain heads, built-in bench and illuminated niche. Secondary baths feature frameless glass, linear drains and smart toilets. Laundry room with custom cabinetry and LG washer and dryer. Sliding doors open to a covered lanai with wood-look ceiling, fans and full outdoor kitchen with grill and sink. The screened pool offers a sun shelf, deck jets, natural stone deck, outdoor shower and pool bath, all within a fully fenced backyard. Minutes from shopping and dining.
