Description

The perfect size, not too big and not too small, this spacious end-unit fairway townhome is in a terrific location in Longboat Village, just a few steps to the community pool and hydro tennis courts. From your storm-protected and screened lanai, you will enjoy the lush golf course views of the 12th and 14th tees and a scenic lake. A great living space with cathedral ceilings and big windows that provide natural daylight. Two large bedrooms, each with patio access and a full bath are on the main floor. A ginormous primary suite and balcony atop the spiral staircase offers a ton of space with room for an office, a cozy space to read a book, a sitting area with extra vanity, and a crazy amount of closet space. The primary bath has a beautifully tiled shower and dual sinks with separate water closet. A privacy wall shelters your screened entry lanai and is a neat and tidy place for your gas grill. A one-car detached garage and assigned parking spot add to the value of this townhome, being offered turnkey. The Landings has an all-inclusive amenity-rich lifestyle on 255 acres of beautiful grounds, with friendly neighbors and tons of activities to enjoy. Bring your boat, racquets and clubs and come live the good life!!
