Description

Discover refined new construction living at 3207 11th St W, Lehigh Acres, FL 33971. This beautifully designed 3-bedroom plus den residence offers approximately 2,146 square feet of living space, thoughtfully created with modern style, functionality, and comfort in mind. From the moment you enter, the open-concept layout creates a spacious and welcoming atmosphere. The main living area flows into a beautifully appointed kitchen featuring a striking waterfall island, custom cabinetry, and stainless steel appliances. Whether preparing a meal or entertaining guests, the kitchen serves as a stylish and functional centerpiece of the home. The spacious primary suite provides a peaceful retreat with a separate soaking tub and walk-in shower, offering a comfortable space to unwind. Two additional bedrooms provide generous accommodations, while the versatile den can be customized to suit a variety of needs, such as a home office, study, or additional flex space. Additional highlights include elegant finishes, crown molding throughout, a modern open-concept design, custom cabinetry, stainless steel appliances, and quality craftsmanship throughout. The combination of thoughtful design and contemporary finishes creates a home that is both stylish and practical. Experience the appeal of brand-new construction with modern finishes and a thoughtfully designed floor plan at 3207 11th St W in Lehigh Acres.
