Description

Vacant residential lot available in Fort Myers, Florida. Property is zoned RM-12, offering an excellent opportunity for residential development or investment. Conveniently located near Downtown Fort Myers with easy access to major roads, shopping, dining, schools, and other local amenities. Growing area with new construction and continued development nearby. Property is being sold as vacant land. Buyer and buyer’s agent are responsible for verifying zoning, permitted uses, dimensions, utilities, building requirements, flood information, and all other information deemed important.
