Description

Outside-corner residence at Bay Harbor Club with water views that begin the moment you walk through the door. This turnkey furnished 2-bedroom, 2-bath condo offers the kind of setting that makes Bonita Beach special, with an expansive wraparound lanai and windows on multiple sides capturing views across the bay, preserve and surrounding coastline. The interior is comfortable, bright and move-in ready, with an open living and dining area surrounded by glass, an updated kitchen with granite countertops and stainless appliances, generous storage, custom closets, and a spacious primary suite with dual sinks and walk-in shower. Both bedrooms open toward the lanai, extending the water views throughout the residence. A newer HVAC system, impact-resistant windows and doors, and electric hurricane shutters add practical peace of mind. Bay Harbor Club occupies a unique waterfront setting along Hickory Boulevard, with deeded Bonita Beach access directly across the street and boating access from the bay side of the property. Community amenities include a waterfront pool and spas, clubhouse, pickleball and tennis courts, kayak storage and launch, grilling areas, bike storage and boat docks that may become available for lease or purchase. Whether used as a seasonal retreat, full-time residence or Florida getaway, #3A offers a rare combination of an outside-corner floor plan, wraparound water views, beach access and a relaxed waterfront lifestyle in the heart of Bonita Beach.
