Description

Set on an extraordinary 3.3-acre private gated estate, this spectacular 4,930-square-foot, 5-bedroom, 4-bathroom residence is a one-of-a-kind retreat designed for luxurious everyday living and unforgettable entertaining. Two master bedrooms; one on main level and another on the second level. Guest wing with separate private entrance, a full kitchen bedroom, bathroom and living room. Every room has been thoughtfully redesigned and renovated. New Andersen french doors let light flood in, wood beams add architectural character, while the expansive living room, dedicated library, and newly designed kitchen create an impressive yet inviting interior. The home’s amenities extend well beyond the main living spaces. A steam room and hot tub creates a wellness retreat within the home, while the five-car garage features newly finished floors in the two car section, offering exceptional space for vehicles, storage, hobbies, a gym and recreational equipment. A new steel entry door worth over $15,000 is currently on order, adding another sophisticated architectural element. Step outside and discover an entertainer’s dream. The spectacular resort-style salt water pool features a dramatic waterfall, private grotto, and swim-up bar, creating an incredible setting for relaxing or entertaining. The outdoor living experience is elevated even further by a fully equipped outdoor kitchen, complete with a flat-top griddle, built-in gas grill, icemaker, and refrigerator. An outdoor/indoor Sonos entertainment system provides seamless music throughout the outdoor spaces and living room,

making it easy to set the perfect atmosphere for everything from casual pool days to large gatherings and unforgettable evenings under the stars. The pool seating area is equipped with hidden electric screens and/or hurricane shutters that appear with the click of a button. The beautifully landscaped 3.3-acre grounds offer a rare sense of privacy and include an irrigated garden space, chicken coop, and extraordinary three-story treehouse—a truly unique feature that brings an element of whimsy and makes this property unlike anything else. The home’s design and outdoor spaces have already earned recognition with prestigious Sand Dollar Awards for Best Living Room, Best Outdoor Space, and Best Pool, a testament to the exceptional thought and craftsmanship invested in the property. five-car garage, library, gym, whole house reverse osmosis system, steam room, resort-style pool with complete Pentair system, waterfall, grotto, swim-up bar, lighting features, fully equipped outdoor kitchen, Sonos outdoor entertainment system, garden, chicken coop, and three-story treehouse. Every room has been reimagined. Every outdoor space has been designed for living. And every detail was chosen to make this property exceptional.
