This 3-bedroom, 2-bath carriage home in Wilshire Lakes offers the space, privacy and lifestyle buyers are looking for—whether you're searching for a full-time Naples residence, seasonal getaway, retirement home or investment property. With NO ONE ABOVE YOU, soaring vaulted ceilings, a detached carport, private screened lanai and a quiet end-unit location, this home feels open, comfortable and private from the moment you walk inside. The expansive main living area is filled with natural light and features beautiful hardwood flooring, high vaulted ceilings, plantation shutters, upgraded lighting and ceiling fans, stylish accent walls and plenty of room to entertain. A dedicated dining area provides additional space for hosting family and friends, while multiple sliders create an easy connection between the indoor and outdoor living areas. The updated cottage-inspired kitchen brings character to the home with refreshed countertops, newer appliances, open shelving, laminate flooring and a statement barn-door pantry offering additional storage. The existing layout also provides future potential to further open the kitchen to the living area for buyers wanting an even larger open-concept design. The OVERSIZED PRIMARY SUITE is one of the home's best features, offering soaring ceilings, TWO spacious walk-in closets, abundant natural light and private slider access directly to the screened

lanai. The ensuite bath includes dual sinks, updated waterfall faucets, a large soaking tub and separate walk-in shower. Two generously sized guest bedrooms provide excellent closet space and flexibility for overnight guests, family, a home office or hobby space. The guest bathroom features another updated waterfall faucet and a tub/shower combination, while a FULL-SIZE LAUNDRY ROOM provides additional everyday convenience and storage. Outside, the screened lanai creates a peaceful extension of the living space with plenty of room to relax, dine outside or enjoy Naples' year-round Florida weather. Being an END UNIT with no residence above provides additional privacy and makes this property stand apart from traditional condo living. Located in FLOOD ZONE X within the gated Wilshire Lakes community, residents enjoy a beautifully renovated community pool, fitness center, tennis courts, community center and an active social calendar. The HOA covers everything but your electric bill! LOCATION IS ANOTHER MAJOR ADVANTAGE!
