Description

Tucked along desired Shell Alley and just moments from the beach, 1800 Gordon Drive offers a rare combination of privacy, character and accessibility in one of Naples most desirable coastal settings. Encompassing approximately 6,131 square feet, this one-of-a-kind residence feels wonderfully removed from it all, with expansive windows capturing lush tropical greenery and natural light throughout. Inside, the home is warm, sophisticated and distinctly its own. A newly completed kitchen features custom cabinetry, a Wolf oven and an inviting layout designed for everyday living and entertaining. Hand-painted wall finishes bring depth, texture and an artisanal quality to the interiors, while thoughtfully designed living spaces create an effortless flow throughout the home. Upstairs, two separate living areas provide exceptional flexibility for family and guests, whether envisioned as private lounges, media spaces, offices or quiet retreats. What sets apart 1800 Gordon Drive is its sense of place. Hidden among the greenery yet remarkably close to the Gulf and the heart of Naples, the home offers the charm and intimacy of a private retreat with the beach lifestyle just outside the door. Distinctive, beautifully finished and unlike anything else on the market, this is a special opportunity to experience the understated elegance of life on Shell Alley.
