Description

Built in 2024 with custom features selected from the beginning, this beautifully designed home offers exceptional style, functionality, and space. The highly appointed kitchen features a stunning waterfall island, while oversized tile flooring flows throughout the entire home. The open floor plan creates a true great-room design, enhanced by vaulted ceilings that give the home a larger, more spacious feel. Abundant storage throughout adds everyday convenience. The spacious master suite includes a large custom walk-in shower, dual sinks, and a generous walk-in closet. Additional features include a paver driveway, state-of-the-art reverse osmosis water filtration system, and a fully fenced yard. With thoughtfully chosen finishes and selections that truly outshine other homes in this price range, this property must be seen in person to fully appreciate its quality and attention to detail. Located near the exciting developments and amenities coming to Northwest Cape Coral, the home offers comfort and convenience in a rapidly growing area. **NO FLOOD INSURANCE IS REQUIRED**
