Description

New roof as of November 2025 with a transferable warranty. Within Island Walk, this thoughtfully updated two-bedroom, two-bath residence pairs bright, comfortable interiors with effortless indoor-outdoor living and access to resort-style amenities. Vaulted ceilings, abundant natural light and new flooring throughout create a fresh, cohesive setting, while the screened lanai and private grassy backyard extend the living space outdoors. Recent improvements throughout the home provide a move-in-ready presentation with a substantial list of updates completed between 2025 and 2026. The open dining and living areas are filled with natural light and designed for easy everyday living and entertaining. Sliding glass doors connect the living room to the screened lanai, where a ceiling fan enhances comfort. A custom-built-in mirror adds a distinctive architectural element to the living space. The kitchen has been thoughtfully enhanced with an extended island featuring new granite and a matching granite backsplash, completed in April 2026, along with a new kitchen sink and faucets. All-new stainless steel Whirlpool appliances, including the refrigerator, dishwasher, range and microwave, were installed in November 2025. The primary suite provides a private retreat with a ceiling fan and en-suite bath featuring dual sinks, new marble countertops, new sinks and faucets, a glass-enclosed walk-in shower and a walk-in closet with built-in storage. The second bedroom is equally well appointed with a walk-in closet with built-ins, a ceiling fan and an en-suite bath with a

shower/tub combination. Both baths were further updated with new toilets in October 2025. A dedicated laundry room adds everyday convenience with a washer and dryer, custom-built-in cabinetry for storage and laundry sink. Throughout the residence, all new ceiling fans and light fixtures enhance function and style. The interior was completely painted in September 2026, while the exterior was freshly painted in May 2026. A new water heater was installed in October 2025, and the roof and gutters were replaced in November 2025. Manual shutters throughout provide practical storm protection, while the screened lanai offers a comfortable outdoor setting overlooking the grassy backyard. Residents of Island Walk enjoy a resort-style lifestyle with an array of community amenities, creating an inviting setting for recreation, relaxation and socializing. With its extensive 2025–2026 improvements, updated kitchen and baths, fresh finishes, vaulted ceilings and inviting indoor-outdoor living, this residence offers a polished and comfortable Naples lifestyle in an amenitized community.
